Yen...?

Let's run away, Anna!

M-why are you saying that all of a sudden? Did something happen?

I can't take it anymore.

Let's run away together, Anna...

Let's run away...

Father! You came this far to inspect?

Yes, is there anything to report?

No, Father.

Hey, I think someone's over there.

Lord Rathgar!

Let's talk about this tomorrow.

Now is not really a good time...

Go back for now! You shouldn't be here!

Who's there?!

!!

F-father!

Lord Rathgar...?!

Break out. I will wait for you in the forest at Siren

I'm going to wait until you come

Hey, say if it's easy to miss what's in front of you. I didn't think my own daughter would be a spy

Spy?! No, of course not! I... just...

Are you trying to say that you are his bitch?!

Why would a noble even bother with a commoner?!

Furthermore, he is the son of the Baker!

How can you be sure that he didn't caught wind of something and is just trying to use you?

Spill it. How much did you tell him?

Depending on your answer.

I may have to kill you right here right now.

I haven't even spoken about you and your plan for a revolution!

Please trust me! I was seeing him with no such motives!

I've never thought of betraying you!

SLASH

Your name's Anna?

You share the same name with the precious flower.

Eh, you understood me.

Don't be

I think that name really suits you

Anna.

I've decided.

Traitors are usually executed or whipped on the spot!

But I'm giving you one chance to redeem yourself!

I haven't betrayed anyone! I'm willing to do anything to prove my innocence

Go meet Ratheger

And if you can get information on what Rabian is doing, I will forgive you

If you lied,

It won't only be your life,

but mine, as well as everyone in the group.

Lock her up in the storage room.

I will decide on her punishment later.
